FALL BOARD EDUCATION SEMINAR
Elizabethtown, KY
The Hampton Inn
9:00 AM - 10:30 AM

Marcus Buckingham, co-author of the national bestseller, First, Break All the Rules, and Donald O. Clifton, Chair of the Gallup International Research & Education Center, have created a revolutionary program to help readers identify their talents, build them into strengths, and enjoy consistent, near-perfect performance.

At the Leadership Training in August, our Core Strengths Team discovered the power of positive psychology and the theory outlined in Mr. Cunningham and Dr. Clifton's book Now, Discover Your Strengths.

Our next step on the journey is to see what our individual strengths are, and how we can use them. Please join us on our journey to become *Excellence in Action* both in your work and in your IAAP chapters. If you would like to discuss and review your individual strengths you can purchase the book Now, Discover Your Strengths at Amazon.com for about \$20. The access code for the Clifton StrengthsFinder Profile is discussed in Chapter 3. Simply read the first three chapters, go on line, and take the test (make sure you can be uninterrupted for at least 30 minutes) to get your top 5 strengths.

Print them and bring them with you to the seminar.

Pam Cradic CPS, Ky Division Education/Certification Chair for 2008/2009 will lead the discussion.
